Sir:

In response to the Notice of Abandonment mailed on September 21, 2001, Applicants respectfully request reconsideration and withdrawal of the holding of abandonment based on failure to receive the office action mailed on February 2, 2001. In fact, no office action has ever been received by Applicants after Applicants' response to the U.S. Patent and Trademark Office filed on November 28, 2000.

In support of this Petition, Applicants have attached a copy of a docket report showing all items having a response due on May 2, 2001 (the cases are sorted by the initials of the attorney assigned to the case; the present application was assigned to "ML7," and any response to an office action would have appeared under the ML7 entry); a Statement of Facts by the undersigned attesting to a search and review of Applicants' file jacket and docket record indicating that an Office action was not received, and a Statement of Facts by a Theresa M. Good also attesting to

Serial No. 09/373.038

Attorney Dckt No. 98-26

the fact that the docket record was reviewed and indicates that no Office action was ever received after Applicants' response of November 28, 2000.

Therefore, Applicants respectfully request withdrawal of the holding of abandonment, and remailing of the Office action.

The Commissioner is authorized to charge the Petition fee of \$130.00 associated with this paper, as well as credit any refund or overpayment, to Deposit Account No. 03-1800. A copy of the first page of this response is enclosed for that purpose.

Sir:

1. I, Ralph E. Smith, am a registered practitioner having a registration number of 35,474.

2. In response to a Notice of Abandonment mailed on September 21, 2001, I carefully searched Applicants' file jacket and docket records to determine whether an Office action mailed on February 2, 2001, had ever been received in connection with the present application.

3. Based on my search, I verified that our office is the address of record for the present application. The last document entered in Applicants' file (other than the Notice of Abandonment) is a "Response to Office Action" mailed on November 28, 2000, which was responsive to a first office action mailed August 29, 2000. I could find no evidence indicating that any Office Action mailed after the Response to Office Action was ever received by our office.

Serial No. 09/373,038

Attorney Dckt No. 98-26

4. Likewise, I could find no evidence that our docketing system ever indicated that a response was due for the present application based on an Office action mailed on February 2, 2001.

5. I further verify that the attached docket report listing all items having a due date of May 2, 2001, is an accurate report of my search of our docket records.
